

Grand Old Duke of York

Oh the grand old Duke of York
He had ten thousand men
He marched them up to the top of the hill
and he marched them down again

and when they were up they were up
and when they were down they were down
and when they were only half way up
they were neither up nor down.

March around the space stretching up for the top
of the hill, and crouching near the floor for down.

Act out all the parts of
the bus and the people
on it as you sing!

The children on the bus bounce up and down;
The people on the bus go chatter, chatter, chatter;
The babies on the bus go "wah, wah, wah";
The parents on the bus go "shh, shh, shh";
