

Sun Protection

Policy statement

- To encourage parents and carers to send children in with the appropriate sun block already applied for the session.
- We to re-apply sun block to children attending all day or to children that need additional protection.
- We will use a non-allergenic, high factor sun block.
- To provide sun hats.
- To provide shaded areas.
- To limit the time spent in direct sunshine.
- To provide drinking water at all times.
- To discuss safe play in the sun with the children.
